

Certificate GB08/75483

The management system of

# National Oceanography Centre

European Way, Southampton, SO14 3ZH, UK

6 Brownlow Street, Liverpool, L3 5DA, UK

has been assessed and certified as meeting the requirements of

## ISO 14001:2015

For the following activities

**All activities at the National Oceanography Centre (NOC) main sites as follows:**

- NOC Southampton & NOC Liverpool. Joseph Proudman Building

In Southampton, the scope includes the activities onsite of both the University of Southampton (UoS) and Natural Environment Research Council (NERC) including the operation of inshore teaching vessels. The scope of the EMS excludes activities on our field sites and of our large research vessels – RRS Discovery and RRS James Cook.

The NOC conducts oceanographic research. Activities include laboratory-based research, computer based research, teaching, engineering workshops and facilities management.

This certificate is valid from 06 December 2017 until 04 January 2019 and remains valid subject to satisfactory surveillance audits. Re certification audit due before 22 December 2018 Issue 6. Certified since 18 August 2008
